Hello Bill:

The attached letter lists the topics the EPA is seeking input on from interested Tribes, in addition to any other topics the Tribe wishes to discuss. Please let us know if the Shakopee Mdewakanton Sioux Community is interested in discussing any of these topics with the EPA. If you wish to do so through consultation, or to further inform whether you wish to consult, we will set up a time for a conference call. We would also welcome any input the Tribe would like to send in writing. Since sending our 2/21/20 letter to the Chairman (also attached), we have extended the opportunity to consult with interested tribes until May 29th. Please reply by Monday, April 13th so that if you decide to consult with EPA, we can do so by this date.

Hello Bill,

Due to the current situation (COVID-19), we would like to do a phone conference instead of an in-person meeting. Can you please let us know if the Chairman would like to do a Conference with Darcy O'Connor over the phone?
